

Hunter X Core Outdoor Irrigation Controller Bundle Pack Specifications

About the Hunter X Core

Hunter is the leading irrigation specialist in Australia providing a suite of full scale residential and commercial irrigation controllers and accessories. Easily configure up to 8 zones including 3 programs and 4 start times each, the X-Core is the perfect solution for residential applications. Plug in the revolutionary Solar Sync ET sensor and the X-Core is converted into a “smart controller,” that regulates irrigation runtimes based on locally measured weather. X-Core is also compatible with Hunter remotes for quick, wireless activation of irrigation. Installation, operation and maintenance are designed to be simple while still delivering optimal efficiency or reliability.

Key Benefits

- 3, 4, 6, 8 zone options
- Solar Sync accessory saves water based on local weather conditions
- Built in key lock on outdoor models protects against vandalism
